

Dear Patient,

Thank you for choosing the New London Medical Group for your medical needs. Our goal is to provide you with quality care every time.

To ensure that the New London Medical Group team has all of your medical information, we ask that you complete and sign the attached Authorization for Release of Medical Records so we may request your records from your previous medical provider. Please note that if you do not fill in the entire Medical Record release form it will hold up the request of your records and delay your first appointment. Your records may take up to 30 days to receive; you will be contacted once your records have been processed.

Also, please complete the Patient Information and Patient History forms. You may return all forms by mail or drop them off at the main reception desk.

If you have a provider preference, please select:  $\Box$  Male  $\Box$  Female

Your provider preference will be taken into consideration by the Medical Group Leadership who reviews the new patient requests.

If you have any questions, please contact us at 603-526-5544. The New London Medical Group team looks forward to taking care of your healthcare needs.

#### INSTRUCTIONS:

#### How to use the "Permission to Send Health Information to Dartmouth Health" form.

This form should be used when you want your healthcare provider to send your medical records to Dartmouth Health. If you want Dartmouth Health to send your medical records to another healthcare provider or other third party, please use the "Permission to Share Patient Health Information" authorization form. You can find the form at: https://www.dartmouthhitchcock.org/patients-visitors/medical-records-release-forms.

Please note that sending a healthcare provider's office notes may have additional requirements for authorizing records to be released to Dartmouth Health.

#### **PATIENT INFORMATION**

Complete each box as indicated with the following information:

- Patient's name (please print clearly)
- Patient's date of birth
- Patient/Personal Representative's phone number
- Patient's mailing address, including City, State, and Zip Code

#### **SENDER**

Please fill in which healthcare provider/facility you are authorizing to send your medical records to Dartmouth-Hitchcock including:

- Provider/facility name
- Mailing address including Street, City, State, and Zip Code
- Fax number for the healthcare provider/facility

#### RECIPIENT

Check the Dartmouth Health location where you would like your information sent. You may check multiple locations. If you would like your records to be sent to a specific healthcare provider at Dartmouth Health, please fill in the appropriate provider's name or department/section (e.g., Pediatrics, Orthopaedics, etc.).

#### **HEALTH INFORMATION TO BE SHARED**

Fill in the date range that applies to the health information you are requesting to be sent to Dartmouth Health.

Check the box(es) that describe the information you are requesting to be sent to Dartmouth Health.

For multi-provider group practices, you can indicate you want to have records sent from only a specific provider by checking the "Records from a specific provider" box and filling in the relevant provider's name.

Fill in a description of the purpose of the requested records. Examples: Transfer to new provider, facilitate treatment, summarize treatment, etc. This section must be completed in order for the form to be valid.

#### SENSITIVE HEALTH INFORMATION

If you do not place your initials in the spaces provided, the healthcare provider may release such sensitive information as necessary to fulfill your request.

#### **DURATION & REVOCATION**

Your authorization will remain valid for one year from the date of your signature, unless you specify a different date in the space provided. You have the right to revoke your permission at any time. Note that your revocation will not apply to any previously released information. Please revoke by following the directions in the healthcare provider's Notice of Privacy Practices, or call the provider's office where your records are located.

#### **ADDITIONAL INFORMATION**

Please read this section on the form. Please fill in the blank space with the sending healthcare provider's name.

#### **SIGNATURE**

Sign and date the authorization. Patients between the ages of 12 and 17 may be required to sign the form in addition to their parent/legal guardian, depending on the type of care received. This will be determined by the sending healthcare provider's protocol.

If you are not the patient, describe your relationship and legal authority to sign on behalf of the patient. In some cases, you may be required to provide legal paperwork verifying your legal authority (e.g., court-appointed guardian, power of attorney for health care). Check with the sending healthcare provider's office regarding these requirements

one of with the sending healthoare providers online regarding these requirements.
