

# Hospital Days Triathlon Notice

## August 6, 2017

The 34<sup>th</sup> annual New London Triathlon will be held on Sunday, August 6, 2017. The race check-in, finish line, and post-race activities will be on the grounds of the New London Historical Society from approximately 7:30 AM to 12:00 Noon. The 9:00 AM swim start and subsequent race transitions will take place at Bucklin Beach. Spectators will be asked to walk or take a shuttle between the Historical Society and Bucklin Beach. *We anticipate a lot of pedestrian and spectator traffic in addition to approximately 300 competitors.*

### Traffic Advisory

Local motor vehicle traffic will be allowed during the race, however please be advised of the following traffic pattern changes:

**Little Sunapee Road** will be reduced to a single lane at 7:00 AM with one-way traffic traveling southbound into town only. Please allow extra time for traffic delays and detours.

**Newport Road and Main Street** will be closed starting at the entrance of the New London Shopping Center to the Intersection of Main Street and Parkside Road.

**County Road** from the rotary to Little Sunapee Road will be closed at 9:00 AM until approximately 10:30 AM or until all cyclists complete the bike portion of race.

**County Road** traffic coming into New London will be rerouted to Knights Hill, to Pleasant Street and then into town.

We know that events like these can be inconvenient and we will do our best to minimize disruption while the triathlon is taking place. We encourage you to show your support by cheering for the competitors. If you are interested in joining the fun as a volunteer, or if you have any questions, please contact Sarah Humphreys, Events Coordinator at New London Hospital at 603-526-5084 or [sarah.humphreys@newlondonhospital.org](mailto:sarah.humphreys@newlondonhospital.org), or Mark Vernon, New London Triathlon Race Director at [mtvernon@tds.net](mailto:mtvernon@tds.net).

*On behalf of New London Hospital and the Town of New London, thank you for your patience and cooperation!*
