# A message from the CEO

Thank you to our sponsors, staff, committee members and especially our community for making the 97th Annual Hospital Days one to remember. It was so refreshing to see our community spirit on full display. From the kickoff at our Community Forum on Thursday, through all the activities on Saturday, so many of us came together to share support for New London Hospital (NLH) and our pride in this special region of New Hampshire.

After some rough weather on Friday, the sun shined on us Saturday as hundreds (probably well over a thousand) of you came out for the parade, with the theme of A Storybook Celebration. It was inspired by New London's very own literary legend, Tomie dePaola,

who wrote and/or illustrated more than 270 books. It was breathtaking at times to witness the creativity and joy reflected in the smiles along the parade route.

This year's Hospital Days raised over \$115k for our beneficiary, Hematology/Oncology Infusion Services, which provides compassionate and personalized care to our community members living with cancer, blood disorders and other conditions.

We are grateful for all your support and thank you for making a positive difference in the lives of our patients.

# 97<sup>th</sup> Annual HOSPITAL DAYS

*A Community Celebration Benefitting New London Hospital*

*New London Hospital thanks all of its employees who worked and volunteered for Hospital Days went above and beyond to make these events such a success. In addition, we thank all community partners and countless individuals for their support, without which our longstanding annual traditions and fun newer activities would not be possible.*
