

Hospital Days Traffic Notice

August 6-7, 2022

PARADE

The Annual New London Hospital Days Parade will be held at a NEW time on Saturday, August 6, 2022 at 10:00 AM. The Parade route will remain the same. Line-up will begin at 9:00 AM on County and Little Lake Sunapee Roads and will continue onto Main Street. Main Street will be closed beginning at 9:50 AM and will remain closed until the completion of the Parade, no later than 11:30 AM.

TRIATHLON

The Annual New London Hospital Days Triathlon will be held on **Sunday, August 7, 2022**. The race check-in, finish line, and post-race activities will be on the grounds of the New London Historical Society from approximately **7:30 AM to Noon**. The 9:00 AM swim start and subsequent race transitions will take place at Bucklin Beach. Spectators will be asked to walk between the Historical Society and Bucklin Beach. *We anticipate a lot of pedestrian and spectator traffic in addition to approximately 200 competitors.*

Traffic Advisory

Local motor vehicle traffic will be allowed during the race, however please be advised of the following traffic pattern changes:

Little Sunapee Road will be reduced to a single lane at 8:30 AM with one-way traffic traveling southbound into town only. Please allow extra time for traffic delays and detours.

Newport Road will be closed starting at the entrance of the New London Shopping Center to the Intersection of Main Street and Parkside Road.

County Road from the rotary to Little Sunapee Road will be closed at 9:00 AM until approximately 10:30 AM or until all cyclists complete the bike portion of race.

County Road traffic coming into New London will be rerouted from County Road to Parkside Road and then into town.

We know that events like these can be inconvenient and we will do our best to minimize disruption while the triathlon is taking place. We encourage you to show your support by attending the Parade or cheering for the competitors at the Triathlon. If you are interested in joining the fun as a volunteer, or if you have any questions, please contact New London Hospital at 603-526-5427 or community.relations@newlondonhospital.org.

*On behalf of New London Hospital and the Town of New London,
thank you for your patience and cooperation!*
