

With Gratitude

New London Hospital (NLH) expresses its deepest gratitude to our donors who support our mission to continually improve the well-being of individuals in our region by providing high-quality healthcare to our communities. Through their generosity every contribution, regardless of size, makes a significant impact.

The following list highlights individuals, organizations, and foundations who supported NLH with cumulative gifts totaling \$250 or more in Fiscal Year 2023 (July 1, 2022 - June 30, 2023), along with gifts made in honor or memory of a loved one. Pledges are recognized as gifts in full at the time of receipt.
