

FRAUDULENT PHONE CALL ALERT

It has come to our attention that fraudulent calls appearing to originate from New London Hospital are being made to local residents.

In most cases, the caller is requesting credit card information. These scammers have been able to alter the caller ID to make it look like New London Hospital is calling you. These calls are fraudulent and are not originating from New London Hospital. We want to assure you that your medical information has not been compromised, and our data systems remain secure. The scammers do not have your personal information, but are contacting local residents in hopes of obtaining your financial information.

We offer the following information about this phone scam:

If you receive a call from New London Hospital, the only phone number that will display on your caller ID is 603-526-2911.

If you are unsure as to why you are receiving a call from the hospital, ask for the caller's name, hospital department and a direct phone number to call them back.

If you believe you have already been a victim of a phone scam, contact your local law enforcement authorities immediately.

Please know that our patients, their families and our community members are at the heart of all we do. We work each and every day to ensure we continue to provide the safe and quality care that you deserve. We ask that you please report all unsolicited calls claiming to be from New London Hospital, to our Corporate Compliance Office at 603-526-5059.

Sincerely,

Bruce P. King
President and CEO
New London Hospital

Kieran Kays
